**FUTURE DISCUSSION and REVIEW**

**PRACTICES** - Athletes who switch from a contact/collision or limited contact/impact sport to a strenuous/non contact or nonstrenuous/non contact sport are permitted to count conditioning practices toward their new sport as follows: 1. Sports with less than ten (10) practices for the individual before the first contest will be allowed to carry over three (3) days; 2. Sports with less than ten to fifteen (10-15) practices for the individual before the first contest will be allowed to carry over four (4) days. (Contact/collision or limited contact/impact sports include field hockey, football, ice hockey, lacrosse, soccer, wrestling, baseball, softball, diving, gymnastics, skiing, softball and volleyball. Strenuous/non contact or nonstrenuous/non contact sports include cross country, track and field, swimming, tennis, bowling, golf and rifle).

**SPORTSMANSHIP** - When coaches do not fulfill the penalty of the Sportsmanship Regulation by being present at the site of the contest the coach has not fulfilled the penalty and remains ineligible to coach. The committee felt that during the regular season and sectional activity, the Section should impose a penalty on the coach/school. During regional and state championship activity, the NYSPTHSAA Executive Director should impose the penalty.

**SPORT RULES** - A review, discussion and vote to use the same rules for Boys and Girls Basketball and NFHS rules for all sports when available.
