ANNOUNCEMENTS and REMINDERS

Preventing Skin Infections - NYSPHSAA hosted seven webinars in the months of October & November. Over 600 individuals participated in these webinars, which included coaches, athletic directors, school nurses, physicians, athletic trainers, and other health related personnel. A copy of the power point presentation is available on the NYSPHSAA website as well as other useful resources for school districts to use to educate coaches, parents, and athletes on skin infections. Please visit www.nysphsaa.org and click on safety and research for these resources.

Wrestling - Of the six permitted tournaments, a maximum of 2 two-day dual meet tournaments will be allowed. Also, a wrestler cannot wrestle at their certified weight due to weight allowances caused by back to back competition, inclement weather, etc. prior to December 25th. The December 25th growth allowance is the only way this can occur.

Send Us Your Campus News - If you would like to share news and features about what’s happening on your school’s campus, please email altieri@nysphsaa.org so we can consider publishing it in Scholastic Athletics—the Association’s quarterly newsletter.
